Working With THE BOARD OF EDUCATION

LEFT TO RIGHT: Charles Taylor, Francis Beery, Lyle VanHorn, E. L. Peterson, Secretary Richard Henry, Don Conner. STANDING: President Francis Lonnon.

In a war-torn, strike-bound world, in which almost everyone is subjected to pressure groups of various kinds, the Board of Education and the Administration have steadfastly aimed at one objective: to provide the best possible education for the youth of CGHS.

The Board of Education, by providing building facilities, equipment, and personnel, has enabled the Administration to offer the students of CGHS a program of studies which includes a total of 35 1/2 units. Besides the requirements for graduation, a college-bound student may elect additional courses in English, mathematics, science, and social studies. Those students who intend to work after graduation may choose a course of study from four different vocational fields.

This year, in accordance with state law, a special course in driver's education, which includes both classroom study and road experience, is offered to all eligible students.

THE ADMINISTRATION

presents the following fields of study:

PAUL H. ROBERTS

A.B., SeMo State Teachers College,
M.Ed., University of Missouri.

Mr. Roberts has now completed his eleventh year as superintendent in our school unit.

This year brought to a close his service as president for the East Central Division of IEA.

JACK K. ROBERTSON

B.S. Ed., Eastern Illinois State University, M.Ed., University of Illinois.

For the last three years, Mr. Robertson has been principal of our school. Mr. Robertson also finds time to teach English II and serve as sponsor of the Student Council.

FRED BARLOW

A.B. and A.M. Ed., Brown University.

Completing his second year as principal of the Cerro Gordo Junior High, Mr. Barlow also teaches social studies and science to the seventh grade.

"Home on the Range"

In August, Mr. Nelson accompanied several FFA boys on a 4,000 mile western trip. The FFA officers attended the National Convention in Kansas City. At Thanksgiving, the members took a trip to Chicago.

The dairy team placed in the finals of the state judging contest; the soil team placed fifth in the section.

Funk's Company gave a banquet March 12 in the lunchroom for seven FFA members who had the highest yield of Funk's corn in the state. The chapter was presented a bronze statue.

At the family banquet, D. Blick received the DeKalb Award, B. Cunningham won the award for sophomores, T. Atchison was given the Mechanics Award, and Mr. Gregg was presented the FFA Honorary Button. In honor of Mr. Nelson's thirty years as FFA advisor, the chapter gave him a camera.

Last fall the FFA members, accompanied by Mrs. Barbara Masten, Advisor, and Mrs. Gladys Turney, Chapter Mother, attended the Section 16 rally at the University of Illinois. Karen Sue Morton was elected Section Historian at this meeting. Later in the year the officers, Mrs. Masten and Mrs. Turney, traveled to Unity High School for the Officers' Training Session.

The members were very busy during the year with various activities: initiating new members, preparing Thanksgiving baskets for the needy in the community, serving FFA banquet, presenting the style show and tea for mothers, conducting bake sales, and installing new officers.

This year's big names in music include Van Cliburn and Leonard Bernstein, but for CGHS music lovers, the first loyalty goes to Director Clark Waldmier and the CGHS Band.

The CGHS Band got off to a good start this year with a record number of 83 members. On March 5, The Minier Band returned the concert the CGHS Band gave them last year. A potluck supper was given by the Band Mothers before the concert.

On March 22 at the Taylorville District Contest CGHS received eleven firsts and six seconds. Three firsts and eight seconds were brought back from State Contest at Arcola on April 27th.

To finish the year the Band gave their annual Spring Concert on May 4.

Cerro Gordo reads its local news from the Decatur Herald or the Champaign New Gazette, and its international news from the Saint Louis Post-Dispatch or the Chicago Daily News. CGHS depends for school news on the Super Scooper, and for its permanent record on The Gordian.

The Super Scooper Staff had a perfect record this year, publishing 19 issues on time.

Delegates from CGHS to the ISHPA Convention in Urbana were Shirley Krall, Duane Garver, Pam Ridgley, Arlene Atteberry and Sarah Johnson.

The Los Angeles Dodgers came from seventh place in 1958 to finish first in the National League and win the World Series, in 1959, so watch out for the Bronco football team in 1960. The team finished the 1959 season with a 0-8 record but expects to rise out of the cellar next year.

Larry was elected Most-Valuable Player and Larry and Dana served as Co-Captains. Don Gaitros was elected to the All-Okaw first team.

HIGH

TRACK

The United States is justly proud of 1960 high-jumper, John Thomas, who set a new record of 7' 2" for high jump. CG is equally proud of the junior high track team who came through with a first in the county for the third consecutive year and first in the sectional.

Finally CG won the state track meet by tying with Tolono for first place with 13 points.

Steve Kester, who won first in the 100 yard dash and second in the 220 yard dash, was the high scorer for CG.

The heavyweight 440 yard relay team also won second.

In the fall of 1959 Soviet Premier Nikita Khrushchev of the USSR visited the United States. Had he come to CGHS, we could have shown him an example of "Democracy at the grass roots" in our own Student Councils. Made up of the Presidents, elected by the classes, and of the representatives elected by the various school organizations, the CG councils direct the social life of the school, and attempt to set the standards of behavior for all students.

JUNIOR

CLASS OFFICERS: President Beverly Heckman, Vice President Luana Boehm, Secretary Mike Cunningham, Treasurer Kay Morr.

Beginning their busiest year, the members of the Class of '61 officially became upperclassmen with the choosing of their class rings.

On November 13, the Juniors presented a successful production of "Mother Is a Freshman".

The Allerton Mansion near Monticello was the scene of the traditional Junior-Senior Prom centered around the theme "Moonlight and Roses".

Vital statistics chosen during the year include class colors—pink and white, flower—apple blossom, and motto—"Not finished, just beginning".
